IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Specifies the items for which the Amelioration Grants may be made use of.

ORDER No. L.B. 425-46—A.D.C. 35-47-78, DATED BANGALORE, THE 16TH JULY, 1948.

CIRCULAR.

With a view to improving the economic, social and educational condition of the people belonging to the Depressed Classes, Government have started the scheme of amelioration of the condition of the Depressed Classes and are providing funds in the State Budget for this purpose. Government consider that the grants sanctioned under this scheme should be utilised to the best advantage of the Depressed Classes but it is not practicable to define the purposes for which only the grants should be utilised. The grant can legitimately be used for the acquisition of lands for the formation of Depressed Class colonies and extensions, and for the construction of buildings.

Government are however not in favour of spending any money out of these grants towards the construction of Ramamandirs, Temples, etc. No amount can also be granted out of these funds for starting Cottage Industries, Harijan Sevak Centres, Occupational Institutes and Co-operative Societies for the Depressed Class people as the cost on account of these activities is a legitimate charge on the funds of the respective departments. No grants can also be sanctioned out of these funds towards the sinking of drinking water wells, since there is a separate fund for this purpose under the Rural Water Supply Scheme. Relief other than for reconstruction of houses cannot also be given out of this fund in respect of accidental fire cases as there is a separate discretionary fund at the disposal of the Deputy Commissioners.

The Deputy Commissioners of Districts are hereby requested to see that the grants under this scheme are not utilized for the purposes referred to above. Any proposals to deviate from the above principles may be reported to Government and previous sanction obtained thereto.

GENERAL SECRETARIAT

Refers the dispute between the Binny Mills Labour Association and the concerned Management to the Arbitration Tribunal constituted in G.O. No. S.R. 247-56-15-48-1, dated 12th July 1948.

ORDER No. S.R. 281-88—L. W. 15-48-4, DATED BANGALORE, THE 16TH JULY 1948.

Whereas the Commissioner of Labour has reported Sub-Rule (1) of Rule 4 of the Industrial Disputes Settlement and Arbitration Rules, 1941, as continued by the Services and Miscellaneous Provisions (Temporary Act, 1947 (XX of 1947) in his letter No. C. 92 A dated 10th July 1948, that an industrial dispute exists between the Bangalore Woollen, Cotton and Silk Mills Labour Association and the Management of the said Mills in consequence of the demand made by the Association for the immediate reinstatement of such of the employees in the said Mills dismissed or discharged after the 1942 August Struggle.

And whereas all attempts made to promote a settlement have not resulted in a prompt settlement of the dispute, the said industrial dispute cannot be otherwise determined.

Now, therefore, in exercise of the powers vested under Sub-Rule (ii) of Rule 4 of the Industrial Disputes Settlement and Arbitration Rules, 1941, and of all other enabling them in that behalf, the Government Highness the Maharaja are pleased to refer the said dispute to the Arbitration Tribunal constituted under the said Rules as per Government Order No. S. R. 247-56-15-48-1, dated 12th July 1948.

The Tribunal will enquire into, and make its award in the industrial dispute in question and other incidental matters connected therewith without delay and, if practicable, within 14 days from the date of reference.
